WAGONEER EQUIPMENT

LIGHTING

- Whelen Inner Edge® FST™ Front Visor Interior Lightbar
 - o 10-Lamp SOLO™ with (4) red and (4) blue modules, with takedown lights.
 - Can be upgraded to DUO™ or TRIO™ lightheads.
 - o Custom fitment for Wagoneer.
 - o WeCanX® compatible.
 - o Window Tint to conceal FST Inner Edge.
- Quad Whelen T-ION™ Grille Lights
 - o SOLO (2) red and (2) blue on custom grille bracket.
 - Can be upgraded to DUO or TRIO lightheads.
- Side Lighting Whelen SOLO T-ION Lights
 - o (1) Red and (1) blue light mounted in GFX Law Enforcement Vehicles exclusive light housing. Reduces backflash during night time usage, and presents an elevated fit and finish to the vehicle's interior.
- Whelen Inner Edge® RST™ Rear Upper Window Interior Lightbar
 - o 10-Lamp DUO with (5) red/amber and (5) blue/amber modules.
 - Can be upgraded to TRIO lightheads.

SIREN SYSTEM

- Whelen CenCom Core® Control System
 - o CAN based controller that enhances first responder safety by providing the greatest configurability and expansion capabilities on the market.
 - o Hand held CCT5 5-position progressive light/siren control, 9 push-buttons and microphone.
 - o SCANport™ installation kit included for CAN network interface.
 - o Digital voice messages.
- Available for Upgrade - CV2V Vehicle to Vehicle Sync Module
- Behind Grille Siren Speaker
- GFX Exclusives
 - o Custom manufactured light head housings - Provide better control of light output when mated to glass. Reduces night time backflash while improving interior look of vehicle.
 - o Wire Harness and Power Distribution Center - Provides power for most electrical equipment used on police vehicles. Dedicated circuits for camera, computer, radio, radar, siren, printer, and modem/cradlepoint.
 - o Custom bracketry mountings specific to the Wagoneer for ideal lighthead placement, power distribution mounting, and siren system.
 - o Multiple cargo/weapon storage solutions.
