STEP 3: Contact GFX for Equipment Quote and Order

2025 RAM 1500 SSV OPTIONS

GFX Law Enforcement Vehicles provides a full suite of police equipment from our Express Order Program to equip your SSV Pickup with everything you may need.

GFX EXCLUSIVE OPTIONS

- Custom interior light head shrouds to nearly eliminate flash back and blend with the vehicle's interior.
- GFX designed and specified products that meet OEM requirements.
 - Wire Harness and PDC
 - Wheel-to-Wheel Black Step Tubes

OPTIONAL SECURITY AND VEHICLE CANbus FEATURES

- **Park Lock & CANbus Module** – Transmission Shift Security System locks out transmission until fob is detected in vehicle. System operates without driver input.
 - Horn mute
 - Panic mute
 - Radio mute
 - 11 configurable outputs from CAN Data
- **Sentry Protection** warns of approaches from rear of vehicle with rear view camera activation and warning tone.

GFX EXPRESS ORDER PROGRAM

Fully engineered and installed systems for audio and visual warning, work station, vehicle protection and prisoner containment.

SIREN SYSTEMS

- CANbus based systems to provide superior audio and visual warnings that used the latest technology to assist officers with situational based warning signals.
- Single and Dual Siren Speaker configurations.
- Vehicle-to-Vehicle Synchronization.

PERIMETER LIGHTING

- A full suite of Perimeter Lighting has been developed using our custom interior light shrouds, custom brackets and mountings, that position the lighting in its most visible positions throughout the truck.

LIGHTBARS

- Roof mounted Lightbars with SOLO™, DUO™ and TRIO™ lighting modules are available.
- Interior mounted Lightbars with SOLO, DUO and TRIO lighting modules are available.

CONSOLE

- Custom designed console that provides functionality, good looks and stable platform for all your gear.

PUSH BUMPER

- Lighted and non-lighted version.
- GFX exclusive wire routing and pre-drilled holes for speaker mounting. Eliminates corrosion issues with drilled holes.

PRISONER CONTAINMENT

- A full complement of prisoner containment elements including Partitions, Window Barriers, and Door Close Out Panels.

K9 VEHICLES

- Fully developed K9 vehicles with Kennels, Temperature Monitoring, Door Bailout Systems, and Pager Systems.

OTHER AVAILABLE ACCESSORIES

- Headache Rack
- Tonneau Cover - hard folding
- BedSlide and Decked Systems
- Bed Capper
- Cross Body Tool Box
- Weapon Locks and Vaults
- All Weather Floor Mats
