

6 STEPS AWAY FROM YOUR NEW VEHICLE

1

SELECT YOUR VEHICLE AND EQUIPMENT

Work with your Dealer to specify your vehicle – Charger, Durango SSV or Ram 1500 SSV.

Select your Mopar® options, and aftermarket equipment.

2

IDENTIFY SHIP-THRU CODE

Ask your Dealer to add one of the following Ship-Thru codes to your vehicle order.

USA DEALERS

Charger – 99823A

Ram Truck – 99823A

Durango – 99823A

CANADIAN DEALERS

Charger – 99844A

Ram Truck – 99845A

Durango – 99845A

3

CREATE PURCHASE ORDER

Issue standard purchase order to your preferred dealer.

Your preferred dealer will process the upfit portion of this order to GFX.

4

CONSOLIDATE COMPONENTS AT FACTORY

Parts are ordered, received and prepared for installation.

All orders are tracked for your specific job.

5

PRECISION INSTALLATION

Equipment installations are performed with the same high standards GFX uses to build OEM vehicles worldwide.

6

EXPEDITE DELIVERY

The moment the upfit on your vehicle is complete it is processed and delivered to your selling dealer for delivery to you.

No waiting on other customer orders or uncertain rail schedules.
